---	--

Activity	Hazard Identification Type/cause	Risk Assessment Use Matrix	Elimination or control Measures	Who	When
Coach transport to and from	-Hit by vehicle -Squashed getting on	6 2	<ul style="list-style-type: none"> - Instruct the group prior on the need for safety. - Meet group on grassed area in front of school - Mark role getting on bus - Make sure vehicle is appropriate to group. - Clarify and then enforce rules for safe conduct 	All Teachers	Prior
Embryonic development microscope activity	-Cut by sharp objects -Tripping on objects -Dropping objects -Student posture in chairs -Slip / trip on pavement -electrocution	5 3 2 1 4 6	<ul style="list-style-type: none"> - Instruct the group prior on the need for safety. - Remove objects out of way that may inhibit movement. - Keep equipment organised and demonstrate appropriate handling methods. - Carry first aide kit, mobile phone and extra water - Instruct the group prior on the need for safety. - Walk at all times when inside the NMSC and at field sites. - Everyone must have enclosed footwear. - Have a staff: student ratio better than 1:15. - No eating or drinking when in the NMSC. - Students are to only use laboratory equipment as directed by the teacher or teacher associates. 	All Teachers	Note in class

Plan Design modified by M. Green with permission by: N Vaughan.
 Original plan prepared in consultation with: Mr Mike Walbank Mrs E Lyne
 Communicated to principal: Y / N

Position: CLAST

Date: ___/___/___

Teacher associate check and sign:.....

Monitor and Review- Monitor the effectiveness of the controls and change if necessary. Review the risk assessment if an incident or a significant change occurs

Please Note:

This document was developed in consultation with the NSW Department of Education and Training school excursion policy. Teachers making **RISK ASSESSMENTS** as part of School Excursion Planning should note that The National Marine Science Centre **cannot make the assessment for you**. Teachers must make their own risk assessment based on the information provided. Please contact the National Marine Science Centre on 02 66 483 931 if you have any questions.
